Can Dalt is a new development of 11 single-family villas in Santa Eulalia. These homes have incredible views, impeccable and well illuminated interiors, a design adapted to the environment and an exterior with large yards, terraces and private pools. Built at a unique location that can be easily accessed once the construction of the new road connecting Ibiza and Santa Eulalia. A location with an amazing natural environment and beautiful views of the Mediterranean, bathed in sunshine, one of the best places to live on the island. A quiet but also urban environment with all the conveniences offered by the town of Santa Eulalia. Luxury villas with a unique character and style: architecture, distribution, finishes and landscape. A completely private and secure complex with all the comforts.
